			X	X		X									

The diagram shows a 4x12 grid of keyboard keys. The first three rows contain standard symbols and function keys (F1-F12, Del, etc.). The fourth row features a split spacebar with 'Lower' and 'Raise' labels, and navigation/media keys (Next, Vol -, Vol +, Play). Arrows indicate the 'Lower' and 'Raise' actions on the spacebar.

NOTES:

[illegible]

- When flashing your Planck, don't forget to press RESET on the keymap or the bottom of the keyboard for the computer to recognize it
- If your keyboard is acting odd, check out the adjust layer (purple on the default keymap) - lots of these options can change how things behave
- Once you're happy with your keymap, submit it to the QMK repo!
